- ▶ NEW - NII hands on stem programing and Municipal Office open house on Saturday of the event, both accessible from our “Sunflower Express” shuttle bus.
- ▶ In your package you will find our equipment and support request. This assistance is vital to our success.

The background is a festive autumn-themed illustration. It features several pumpkins in shades of orange and white, some with green stems and leaves. Interspersed among the pumpkins are balloons in orange, white, and dark blue. The scene is decorated with various types of confetti, including small circles, swirls, and streamers. The overall color palette is warm and celebratory, with a white background and an orange vertical bar on the left side.
